Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

It took me many years of research
and many "trial & error" medications to
make me feel NORMAL again.
My prescriptions, tailored by my new
physician have helped me immensely.
Stop the action now!! And allow me
to continue using the interstate mail system
for my prescriptions.
